The Clubhouse is Open!

Golf can best be defined as an endless series of tragedies obscured by the occasional miracle, followed by beer!

Talking about beer: The bar will continue to sell beer to go at a special price of 6 beers for the price of 5. Good deal!

AND, this year, the staff will have the beer and hot dogs on the grill on the patio to make it convenient for you before you start and at the turn.

Please help us out this year by remembering that the clubhouse can lose its liquor license if members break the law and bring their own beer on to the course.! Just say no to bringing your own beer, please!
