## The Clubhouse is Exploding!

### News and Notes from Nate

- The all new [www.cliocountryclub.com](http://www.cliocountryclub.com) is up and running! It is intended to attract your friends to become new members. Go to the site, scroll down and go to Yelp, Yellow Pages and Google to post a positive review of the best value in the area!
- Click on the News and Events menu on the new website for all the golf and clubhouse events for the year.
- **Sarah** takes all your calls and RSVPs at 686-0211; and **Annie can** answer all your questions about renting the hall for your event. [abogieccc@gmail.com](mailto:abogieccc@gmail.com).
- Thanks to **Terry** on the grounds crew for planting over 200 good Dutch tulips.
- Thanks again to **Suzanne Delahanty** for holding the very successful yoga and stretch classes; and thanks to **Rick** to making the best healthy salads ever!
- Membership is up! Sarah reports a small increase in membership so far this year, but May is the best time of year to bring new members to the club. Send your friends to the website!

### Clubhouse Attendance Up

The clubhouse is exploding with music, yoga, and lots of food and drink. Thanks to you, the clubhouse attendance and revenues are up over the same time last year which means more of the budget can be allocated to the golf course!

### Family Dining Area Opens

Look for the new 25' CCC room divider creating a smaller, more intimate area for families with a new children's menu.

### Why RSVP?

The RSVP is a way to save money! We have high standards to eliminate waste, and the RSVP allows for very specific kitchen planning. BUT, it is not required! Rick will always have extra, and we just hope you show up and have fun!
