

The new Family Dining Area is open!

### News and Notes from Nate

- So far, there has been a good comments on the service provided by this year's staff. **Sarah and Niki** have worked hard to improve service and it really shows! Tell them thanks with an extra dollar or so next time into the clubhouse.
- **Niki** reports good sales of her new specialty drinks. Try one (or more) soon! Look for weekly specials.
- Going to a **weekly food special** has been a big hit this year. Thanks to those who recommended it during the member survey early in the year. And thanks to **Rick** for continuing to do a great job in the kitchen.
- Do you know who is in the kitchen when Rick is not there? Yep, the two best kitchen workers we have ever had! Thanks to both **Jane and Riza** for doing a great job!
- Thanks to the newly created committee, **"Midnight Movers"** who volunteer moving the stage, tents, and stuff in the clubhouse—thereby saving the time and effort previously provided by the course maintenance staff. Good job, guys!
